# How Hemp Oil Rockstar House Parties Work

1. Location: You provide the location for the party. The CBD Consultant with Hemp Oil Rockstar will coordinate with you where the party will be held. Typically, the party should be in a private residence or meeting facility controlled by the Hostess (or Host). This allows for flexibility during set up.
2. Schedule: You provide one or two "best times" for the party. The CBD Consultant with Hemp Oil Rockstar will coordinate with you on the specifics for the timing - Both Date and Duration.
3. Rewards: Your Hemp Oil Rockstar House Party is YOUR way to help your friends and neighbors learn more about quality products that may improve their lives. Your CBD Consultant from Hemp Oil Rockstar will review with you the overall rewards structure available for hosting a party. In short, when you are able to provide your friends and family with great products, you also get great products - FREE or at greatly reduced prices.
